

MUSIC EVERYWHERE IN YOUR HOME

5 TURNKEY AUDIO SOLUTIONS!

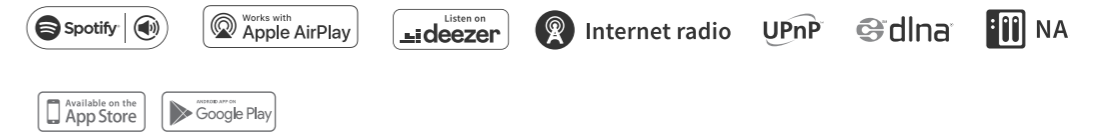

The **turnkey Smart packages** for music in your home come with easy operation and integrate seamlessly into your interior, whether in the bathroom, the kitchen or even on the terrace. **Everything is included:** speakers, brackets and an amplifier with access to all your streaming services. With one package, you can provide a whole room with music.

To make it easy, we have designed each package according to the space you want to use it in. **Discover all five of them inside!**

5 TURNKEY AUDIO PACKAGES DESIGNED FOR YOU

OUR SMARTEST MULTIROOM AMPLIFIER AND THE RIGHT SPEAKERS TOGETHER IN 1 BOX

The beating heart of each of our five all-in packages is the **SMART HYDE multiroom amplifier**, which uses your home network to open the door to the musical streaming world. It gives access to streaming services like Spotify, Tidal, Deezer, Airplay and has the latest Bluetooth technology on board. This digital amplifier provides you with a powerful and cool sound. **Want to provide different rooms with sound?** The SMART HYDE is made for it. Up to 99 SMART HYDEs can be placed in your network. With the free app, you control each zone/room separately: you choose the music, volume and grouping of multiple zones at a party. A true multiroom setting. Convenient, simple and affordable.

PACK 1 2 3 4 5

2 INDOOR ON-WALL SPEAKERS

UNIVERSAL SOUND

Despite its compact size, the UNI30 speaker generates great performance. Unique in its clean, pure design and all-round sound. Perfect for your living room, kitchen, practice, meeting room etc.

UNI30
20 - 60W
180 x 115 x 112 mm (h x w x d)
multifunctional bracket

2 INDOOR IN-WALL SPEAKERS

PERFECT ALL-ROUND SOUND

The FL501 speaker is one of the most popular design speakers, thanks to the power of its sound and the modesty of its inwall dimensions. Perfect for your living room, practice, meeting room etc.

FL501
10 - 100W
200 x 70 mm (Ø x d)
paintable grill

2 SPLASH-PROOF IN-WALL SPEAKERS

PURE AND WARM SOUND

The HPR0525 speaker is a minimalist splash-proof inwall speaker for indoor or outdoor use. Thanks to its aluminium woofer and rotating tweeter, it carries every detail particularly far. Perfect for your kitchen, bathroom, covered terrace, wellness etc.

HPR0525
10 - 100W
200 x 80 mm (Ø x d)
splash-proof
paintable grill

2 SPLASH-PROOF IN-WALL SPEAKERS

PURE AND WARM SOUND

Like the HPR0525, the HPSQ525 is a minimalistic splash-proof inwall indoor and outdoor speaker, but in a square shape.

HPSQ525
10 - 100W
170 x 170 x 80 mm (h x w x d)
splash-proof
paintable grill

2 WATERPROOF ON-WALL SPEAKERS

THE COMPLETE OUTDOOR EXPERIENCE

The ASW55.2 speaker – a king among waterproof speakers with latest acoustic technology – is stunningly powerful, yet discreet. Thanks to its indoor-outdoor switch, this speaker allows you to enjoy music anywhere. Perfect for your terrace, swimming pool, brasserie, wellness, warehouse etc.

ASW55.2
20 - 120W
250 x 190 x 150 mm (h x w x d)
waterproof
frost-free

CREATE ONE GIANT MULTIROOM SYSTEM

Entrust your world to us
and we infuse it with music

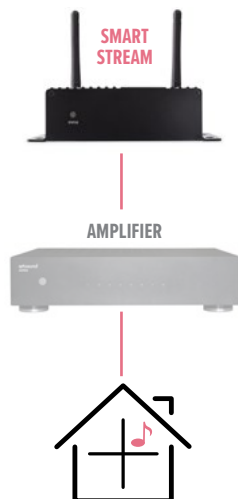

Our Smart Family does not consist of just the turnkey packages. We also developed SMART expansions to create multiple zones at your home. With the Smart Family, you can bring a multiroom system into your own home. All info and guidance at info@artsound.be

EXPANSIONS

STREAMING PRE-AMPLIFIER

1 ZONE

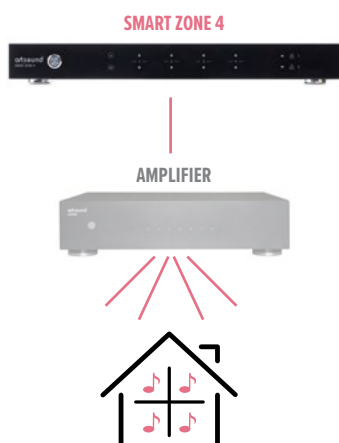

The **SMART STREAM** expands your existing music system into the world of streaming: internet radio, Spotify, Apple AirPlay etc. You pair it with an amplifier that can power multiple speakers in 1 zone. On top of that, the SMART STREAM has a whole range of inputs and outputs for all your other devices (TV, record player, laptop). You can operate it with your tablet or smartphone.

STREAMING PRE-AMPLIFIER

4 ZONES

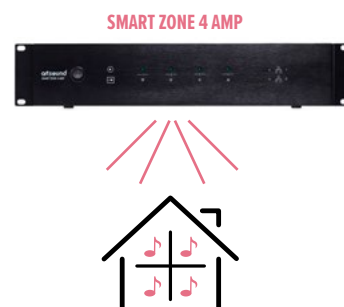

The **SMART ZONE 4** is a streaming pre-amplifier for 4 zones/rooms. You pair it with a (multiroom) amplifier that can power multiple speakers in different zones, such as the AMP850. For each zone, you can choose any music source: internet radio, Spotify, Apple AirPlay ... and a whole range of inputs and outputs for all your other devices (TV, record player, laptop). You can operate it with your tablet or smartphone.

STREAMING AMPLIFIER

4 ZONES

The **SMART ZONE 4 AMP** is an all-in streaming amplifier that produces 2 x 50 watts for each of its four zones. For each zone, you can choose any music source: internet radio, Spotify, Apple AirPlay etc. and you'll find a whole range of inputs and outputs for all your other devices (TV, record player, laptop). You can operate it with your tablet or smartphone.
