

Short Mic Stand with Fixed-Length Boom

JS-MCFB50 item# 16795

When it comes to miking sound sources that are close to the floor - such as kick drums or amplifiers - you need the right tool for the job! The JS-MCFB50 Short Mic Stand with Fixed-length Boom fits the bill perfectly, boasting a tripod base for stability and an adjustable height of 16" to 23". The 24" fixed-length boom adds additional flexibility for making sure you're able to place your microphone exactly where you need it.
