

R8

So compact and still such perfect timbre, we bet you didn't expect that from this radio! How does the R8 do it? Well, with its wooden casing, built-in equaliser and subwoofer. And whether you use it for music, information or relaxation, with your R8 you will never have to choose between FM, DAB+ or internet radio.

Do you want to use it as an alarm clock? You can set it up in no time with the simple menu. The alarm function will wake you at the right time, with the tune of your choosing. Yes, even in case of a power outage (spoiler: it also has a battery!).

The R8, a radio on your wavelength!

With a practical remote control and Bluetooth ... You won't even have to leave your seat.
