

## SMART HYDE

This SMART HYDE is a multiroom amplifier that makes use of your home network. Despite its small size, it fills the large world it gives you access to, via internet radio, Spotify, Bluetooth, Deezer, Airplay etc. Do you have other devices in your home? No problem, that is what the AUX-in can be used for. Its powerful and flawless sound is owed to its digital amplifier. No wonder that you want more of them in your home. You can all connect them to one network and control them from your lazy chair, using your tablet or smartphone.
