EDUCATION

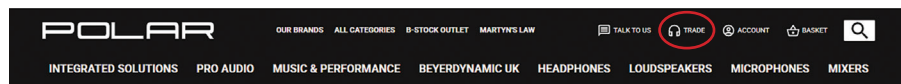

Welcome to the POLAR Education Catalogue tailored specifically for Music Education Hubs and their schools. We understand the vital role music plays in nurturing creativity, fostering collaboration, and enriching the educational experience. That's why we've meticulously selected a range of products designed to support music educators in their mission to inspire the next generation of musicians and expand musical horizons.

Whether you're looking to equip a classroom, enhance a curriculum, or empower budding musicians, our catalogue offers comprehensive solutions to help you succeed and deliver better outcomes.

Discover the perfect blend of quality, affordability, and innovation as you explore our collection that's designed to inspire both teachers and their students.

How to Order

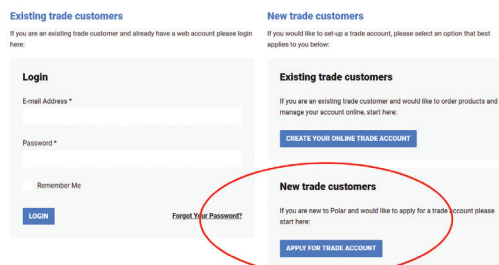

All product purchased for Education enjoy a **5 YEAR LIMITED WARRANTY**

1

APPLY FOR AN EDUCATION ACCOUNT

Go to **www.polar.uk.com** and click the 'Trade' link at the top. Click the 'Apply for Trade Account' button and fill out the form. Once your Trade Account is confirmed you will receive an email instructing you how to access the POLAR online trade portal where you can download price lists, place orders and more.

2

PLACE ORDER

You can email your purchase order to **education@polar.uk.com**. Your purchase order must include the delivery and invoice address. Alternatively you can place your order directly through the POLAR Trade Portal.

3

CONFIRMATION

Once your order has been placed, we will send across a confirmation email with an estimated delivery date. For any queries please contact the sales team at POLAR.

beyerdynamic DT 270 Pro Compact Over-ear Headphone

This headphone is designed for young aspiring creators featuring a compact form with sound signature adapted from the legendary DT 770 Pro with precise deep bass and linear mid and highs. The DT 270 has a low impedance which makes them an ideal workhorse as they can be used across multiple devices without loss in fidelity.

Price: £66.00 (Ex VAT)

SKU: 1002202

beyerdynamic DT 770 Pro Closed Dynamic Headphone

The beyerdynamic DT 770 Pro headphones offer exceptional clarity and detail. With a closed-back design, they provide excellent isolation, making them perfect for focused practice and recording. Durable and comfortable, they're a reliable choice for students, educators, and studio environments in academic settings.

Price: £86.00 (Ex VAT)

SKU: 474746

beyerdynamic DT 990 Pro Open Dynamic Headphone

The beyerdynamic DT 990 Pro headphones provide detailed, clear and accurate sound. Their open-back design provides a natural listening experience, helping students hear nuances in music. Comfortable for long sessions, these headphones support critical listening and accurate sound analysis in practice and study.

Price: £92.66 (Ex VAT)

SKU: 718173

beyerdynamic M 70 PRO X Dynamic Broadcast Microphone

The beyerdynamic M 70 PRO X delivers clear, detailed voice capture due to its focused cardioid pattern which reduces background noise making this microphone ideal for podcasting and streaming applications. It is great in a studio environment too as it excels in vocal capture making the M 70 PRO X an excellent choice for vocals.

Price: £92.02 (Ex VAT)

SKU: 718351

beyerdynamic TG V35 s Dynamic Microphone

The TG V35 S is an affordable, durable dynamic microphone ideal for education use. With tailored frequency response and clear, natural voice reproduction, it enhances speech intelligibility in classrooms or presentations. Its rugged construction ensures reliable everyday use, while the included stand mount offers convenient attachment to an optional mic stand.

Price: £30.92 (Ex VAT)

SKU: 707244

beyerdynamic TG V50 s Dynamic Microphone

The TG V50 s is a rugged, cardioid dynamic mic featuring a smooth, natural sound (50 Hz–17 kHz), high feedback rejection, and a silent, lockable switch that's great for vocals and speech. Built to withstand daily classroom use, it includes a clip and soft bag. Plug-and-play performance makes it perfect for educators seeking reliability and clarity.

Price: £68.70 (Ex VAT)

SKU: 707260

AMS Jumbo DSP Bluetooth Mixers

These mixers are extremely easy to use with a very good array of onboard functions. They feature mono and stereo inputs, built-in USB/Bluetooth media player, DSP effects, +48V Phantom Power and an integrated USB sound card. Colour-coded knobs and an uncluttered layout further assist navigation of all the key controls. Perfect for hands-on teaching of live mixing and digital audio workflows.

AMS Jumbo 8 DSP BT Mixer

The AMS Jumbo 8 DSP BT is an 8-channel mixer featuring six mono MIC/LINE inputs (with phantom power) and one stereo channel. It offers USB and Bluetooth playback/recording, a built-in sound card, 99 DSP effects, 3-band EQ per channel, plus 7-band master EQ.

Midas M32R LIVE Digital Console for Live and Studio

The Midas M32R Digital Console is a powerful, compact mixer ideal for both live and studio environments. It offers intuitive controls, motorized faders, and a user-friendly interface, making it easy for students to explore the field of professional audio mixing. With 40 input channels, 25 mix buses, and premium Midas preamps, the M32R delivers high-quality sound and flexibility for various educational setups, from classroom performances to AV training labs. Its networked audio capability supports remote learning and collaboration, while its rugged design ensures durability in busy school environments. A smart investment for modern audio education.

Price: £1,648.00 (Ex VAT)

SKU: 000-C7S04-00010

Midas M32R Features

5" Mini Display

Flanked by high-precision, context-sensitive tactile encoders, the screen reports in high definition all adjustments applied to a wide range of parameters.

'Mind to Sound' Interface

The intuitive user interface offers a fluid mixing experience that instantly feels like home. The workflow strips away obstacles, distractions, and hesitation.

Channel Strip

The Channel Strip puts the most important parameters into one section so that no matter which channel you are working on, the controls are always the same.

Ultimate Support Single Brace X-Style Keyboard Stand

The Ultimate Support Single Brace X-Style Keyboard Stand offers reliable stability, quick setup, and adjustable height for versatile classroom use. Its durable design supports a range of keyboards and it's easy to stack and store away.
